1949 DeSoto Custom Convertible - Modified

Car was rebuilt in '96 to include new 350 Goodwrench motor, 350 turbo hydromatic transmission, '74 Nova suspension, power steering/brakes, AM/FM Disc radio, power driver seat/trunk release. It is truly a "user-friendly" classic with original exterior. Only 10,000 miles since restoration. The car was driven from MN to AZ in '99 and has been garaged in Green Valley ever since.
