

For Sale 1997 Porsche Boxster

This Boxster's is in near PERFECT CONDITON with only 67,500 miles on the odometer. The car has always been garaged and has never experienced even a small dent. The WHITE paint is all but perfect and the RED leather interior shows very little use. Everything works perfect with the exception of the convertible roof that had been converted from electric to manual. Porsche Boxster's were known to have electrical roof problems so the owner converted it to manual. This is essentially a one owner car. It was first titled to John's wife and now it is titled to John.

The owner has recently had the car completely gone through and serviced at both Mr. Automotive and Porsche of Tucson and they both consider this car to be in excellent condition. The owner John Girton is looking to sell quickly to a serious local buyer for the firm price of \$12,000. To arrange a showing and test drive contact John at 530-949-8250 or via email at johnrgirton@aol.com.
