SCVCN December 7th, Holiday Brunch

Approximately 35 club members met at the Long Horn Grill and Saloon in Amado to celebrate the upcoming holiday season with lunch and live music by solo guitarist & singer Mark Berenson. Members ordered from the menu and additional entertainment was provided with drawings for prizes, 50/50 drawing and table decorations.

The board thanks Carol Shelton, Karen Johnson and Anne Smith for providing prizes and table decorations and Jay Lucas and John Beckman for managing the 50/50 drawing.

We were fortunate to have been able meet and dine safely together as a club just prior to the Covid-19 pandemic spiking again after Thanksgiving. Thank you everyone who attended. We hope that will be able to meet again soon.

A Message from your Acting President by Bob Smith

The club has not met for a regular monthly breakfast meeting since November. The Holiday Brunch in December was a social meeting. The board has been meeting approximately every two weeks. The virtual technology has been challenging with free Zoom meetings cutting off at 40 minutes. We tried using Google Meet which isn't supported on Apple devices.

The board is currently reviewing all the club's organizational documents and revising them. The board has approved a new Mission Statement which will soon appear on the web site. You will soon be receiving a survey. This survey will help the board determine the future direction of the club. The survey will be conducted using Survey Monkey. It is important that everyone answers the survey.

The board has voted to reduce the number of members from nine (9) to seven (7). We currently have a working board of six (6) of which five have time remaining on their current terms. We will need to add two (2) new members to board by April. Arthur is retiring as Treasurer. We will need a new President and Treasurer in April.

There are currently three nice cars for sale on our web site. The Porsche Boxster and Ford Thunderbird are original owner vehicles. Click the photos of the cars for a detailed ad on the web site.

If you have a car you would like to sell, we can help you create an ad and put it on the web site. Just let us know once your vehicle is sold so we can remove it from the web.
