

NUTS & BOLTS

Santa Cruz Valley Car Nuts, Inc.
February 2019

FROM THE EDITOR

The car show is over and everyone is trying to get back to a normal routine. The club brought in a lot of money for our scholarship students. Scholarships will be awarded at the end of the school year. The lucky students will come to our April general meeting so all the carnuts can meet them and learn what college they will be attending.

Stay tuned to our events that Carol Shelton has lined up. Emails will be sent out with information.

25th anniversary car show

The Santa Cruz Valley Car Nuts began having small car shows in 1991 in various locations. For 25 years we have held the car show at Tubac Golf Resort and Spa.

Many, many thanks go out to our volunteers including "our" students. This year members Gary Ballew and Rich Marsula stepped up to co-chair, write details of requirements and establish the number of volunteers required for each responsibility. It is our hope that this document can be maintained and updated for the future.

This year, member Bob Smith utilized an online registration process. Built into the software was the ability to e-mail registration forms and updates to entrants. This assisted us in being able to have data about entries, on-line payment of registration and on-line sales of merchandise and the BBQ dinner. Thanks to Bob for his countless hours in this process.

Our new registration process had an added bonus: We were able to hear comments from those who entered the show. It's great to hear, "Congratulations on a grand weekend of cars and car people" or "As usual the Nuts did an outstanding job" or "Our BIG thanks for all your hard work on the great venue you put on last Saturday". We received suggestions for following shows that will be reviewed and decisions made for possible changes in future shows.

But enough about that – let's get to the fun stuff.

This year we had over 450 entries and nearly 3,000 spectators. Our weather, although cool early on, became warm enough for everyone to enjoy the day. As always it was a beautiful site seeing the colorful cars lined up in their classes – 22 in all.

It is especially rewarding to see so many families teaching their children to love cars like we do. The adults had the opportunity to perhaps see some rare cars they never saw before. We even had a trolley car, a "funny car" and a motorcycle with a side car.

All I can say was all our hard work payed off. We are wrapping up and planning again for next year!

Minutes of General and Board Meetings

General Meeting February 2019

The February meeting was held at the Quail Creek Club house. The meeting was called to order by president Carol Shelton at 7:45 a.m. with 51 members present.

New members introduced included Gary Soucek, owner of a 1984 Chrysler Lazer and a 1960 Dodge Dart. Also introduced were Dr. Victor Stevens and wife Dr. Susanne Reed, owners of a 1993 Mustang GT Convertible. They are looking for a Ford Lightning truck special edition. Only two were made.

No cars for sale – sold or purchased.

Member Bob Smith, who headed up the new on line registration for the car show gave some brief comments. Their were 463 registered cars with 30 no shows and a few non pre-registered show ups. Bob mentioned their can be some new changes such as being able to register more than one car on a form and the car clubs will be able to register all their cars on one form.

Treasurer Art Mournian gave a report that the gross intake of the car show was \$39564.00. Not all expense bills are in yet, so no net figure was available.

Frank Pella from the Classic Chevy Club in Tucson spoke and handed out flyers for their upcoming car show open to all 1989 and older GM cars. He also commented that he attended our show and was very impressed with the overall operation. He also inquired about the Special Edition 25th Anniversary license plates which he felt was very classy.

Carol thanked Wendell Werner for developing the DVD on past car shows that was shown at the Friday evening barbecue.

Carol mentioned there will be a tour of the Coors Pottery Factory in Tucson on Tuesday, March 12. Cost is \$10.00 per person. The pottery factory is owned by the Coors Brewing family. Anyone interested in attending please contact her.

Wayne Potters celebration of

life will be held Saturday, February 9th at 11:00 a.m. at the Elks Club.

Wayne was a long time member of the club, always helping with car club functions and always willing to help members with their cars. Everyone is encouraged to drive your old cars, wear your name tags and feel free to speak of any stories you have about Wayne.

The British Car Club of Tucson is planning a "British Invasion" at the Continental shopping center on Wednesday, February 13. They hope to have up to 30 cars present.

The Quail Creek Car and Motorcycle show will be Sunday, April 7 starting at 11:00 a.m. at the Madera Clubhouse at Quail Creek. Many of our members are involved with the show and many participate in it.

Member Pete Burggraff gave an update on his 1950 Desoto Convertible that was damaged in the flood. The car is restorable and was covered by insurance. Restoration is in progress. Pete has a person who is very good at restoration if anyone is interested. Please contact him at 520-393-0514 and he will give you the persons information.

Carol mentioned three board member terms will be up at the end of the month.

They are Lila Szedlus, Gary Ballew and Rich Marsula. Anyone interested in running for the board please contact her.

The next meeting on March 4 will be held at the refurbished Longhorn Restaurant in Amado starting with breakfast at 7:30 a.m. The Longhorn has a history of TV commercials and movie scenes.

The 50/50 raffle of \$126.00 was won by Ed Bigby who received half of that amount. Ed donated it back to the club.

The meeting was adjourned at 8:35 a.m.

Board Meeting February 2019

The board meeting was called to order by President Carol Shelton at 8:45 a.m. with board members Jay Lucas, Arthur Mournian, Gary Ballew, Rich Marsula, Lila Szedlus, Dan McGuire, Del Hammond and John Beckman present.

This was a short meeting and understood that most items to be discussed regarding the car show would be covered at a later rap up meeting to be held February 11 at Carol Shelton's home. Everyone is invited to attend and share ideas. Time will be announced later.

A motion was made by John Beckman and second by Jay Lucas to donate \$150.00 in gift certificates to the Tubac Fire Department for furnishing health

and fire coverage for the car show.

Board member Gary Ballew, whose term is over at the end of the month said he will not run again. Members Lila Szedlus and Rich Marsula whose terms are also up will run again if approved.

The meeting was adjourned at 9:08 a.m.

Friday Nite BBQ in GERONIMO ROOM

On Friday, January 25th many Car Nuts and guests attending the Car Show the next day had time to meet and get to know each other.

We enjoyed being in the Geronimo Room as usual and this year we were able to have our food served inside the room. We only had to brave the elements to retrieve our adult beverages. We are indeed a hardy bunch!

Upon arrival, guests were greeted and given name tags. Tickets were offered for sale for the items displayed. All displayed items (except the original watercolor) were donated items, so all funds went directly to the club. We also had 50/50 tickets for sale.

Wendell Warner's DVD played the entire time. Wendell spent hours putting together pictures and information about the club from 1991 to the present. We saw members in their younger days and cars in their older days. Having no music to accompany it gave everyone the opportunity to have table conversations while peeking at the DVD from time to time.

After our BBQ dinner, winners were drawn for all items. The auction followed. Tubac Golf Resort donated rooms and golf packages. The original water color created again by Roberta Rogers was auctioned off and other items as well.

It was to be an early morning and a long day ahead for all. Off to our rooms to rest for an exciting car show in the morning.
