FORDS ON 4TH

Don Joy and Duane and Maryann Miller attended the Fords on 4th Car Show. The day was cold but sunny. Be-

cause of the weather the attendance was down. We went to our favorite restaurant—Caruso's Italian restaurant for lunch. No trophies though!

I would like to welcome Arizona A.R.T. as a new advertiser. I met her when we had our 2005 T-Bird seats re-dyed. We asked for the seats and steering wheel to be done and she knew we were taking it to the Tubac Car Show, so she went above and beyond what we asked and dyed everything in the car that needed doing. Everything came out beautiful and I would recommend her for any of your repairs and restorations of leather, vinyl, plastic, carpet and fabric.

CONGRATULATIONS SCHOLARSHIP WINNERS

WOW! WOW! WOW! What a great early morning on April 2nd it was when members arrived at our General Meeting at the Cow Palace. There seated before us were 21 of the 22 scholarship recipients and several parents.

Lila Szedlus again outdid herself with an amazing selection of students. Thanks and gratitude go out to Lila and to Norm and Dale Luebke for all the hard work in obtaining the student's applications, interviewing them and making the final selection.

Members were amazed and proud of the composure the students exhibited. We were happy to have each student make their introduction, state the name of the school they plan to attend and their area of education aspirations. We had well representation from the medical field and engineering as well as cosmetology. Several are seeking multiple degrees and most of them are officers in their school related clubs. Many indicated they enjoyed community service. That was evident when we learned that most of the students had assisted us Car Nuts with one or more shows.

Thank you students for your dedication and your desire to work hard for your bright future.
