Santa Cruz Valley Car Nuts, Inc.  
MAY 2019

## FROM THE EDITOR

Summer has arrived and we said good-bye to all our winter visitors with a picnic at the Pavillion. See story at right.

Our President, Carol Shelton has planned lots of activities for the summer months.. See page 5. Emails will be sent out with more information.

Our next general meeting will be at Dominick's at the Green Valley Country Club again in June. They did a great job of serving everyone.

## PICNIC AT THE PAVILLION

Monday, April 22<sup>nd</sup> was a great day for a picnic and that's what about 50 Car Nuts did. The Madera Canyon pavilion was filled with food and fun. Our Dale Hukari out did himself again. Those bratwursts were the best! He started them at 9:30 a.m. at his house and completed the cooking at the pavilion. WE ALMOST FINISHED THEM OFF!

We had two food tables filled with deviled eggs, salads, beans and many deserts. Leftovers had to be taken home.

The sun was shining, winds down and laughter was heard in the air! What a good day to send off winter visitors. **You all come back now!** We hearty sun worshipers will carry on with Car Nut activities, car shows, planning activities for our 2020 show, and a couple more "cruises". What a difference a day can make in our beautiful southern Arizona. April 23, the day after the picnic has seen rain and we have thunder and lightning.

# GENERAL MEETING

**New Member: Phil Layton**

## Our Advertiser and Trophy Sponsor, Rocky Robling – Rocky's Shell

A recent article in the Green Valley News had an article: **"Rocky Robling has pumped his last gas."** Rocky has been a long time News Letter sponsor and Trophy sponsor. He has an interesting story. He began working at the gas station on Abrego and Esperanza in 1978 at age 16. He purchased Rocky's Shell in 1985. That's quite a responsibility at such a young age.

The station is full service – auto repairs, oil changes, tire changes and the most unique part about it is the service. Gas can be pumped by an attendant – quite a benefit in our area of senior citizens. Low tire pressure message appears on your dashboard? – no problem. Drive to the station, explain your situation and all tires will be checked and taken care with no long waits in a line.

The station will continue as usual with Gerald Morgan running the show. Rocky will continue as a partner. Rocky and Gerald will be more than partners: Gerald will marry Rocky's niece soon. To make the story even more interesting – his niece received one of our scholarships! And now you know the rest of the story.

## Club T-shirts:

Our member, Steve Bottorff made a great point the other day in an e-mail. He said he wore our club's T-shirts two different times and each time he did someone commented on it. He added that for each person that commented there must have been 100 or more that noticed the shirt and said nothing. His point was: wearing the club's shirt promotes our club and our car show. Wear your shirt proudly and often.

## **DUES TIME—2019**

It is that time of the year when you are asked to pay your club dues. Our club operates on a "once a year" system of collecting dues. Your 2019 dues are due in **March 31, 2019**. Your dues pay for the newsletter, **Nuts & Bolts**, which keeps you abreast of all the club activities and events. Your club is a non-profit club and any excess money in the club treasury goes to community youth projects.

## JUNE CRUISE

Remember neon signs? Motels, bars and diners all had them. The city of Tucson even has a big push to keep Neon alive. Neon and collector cars seem to fit so our June Cruise will be to the Neon Museum "Ignite". It is a sign art museum with over 350 items on display. We will have the opportunity to walk through a diner and window shop in store fronts along "The Avenue". This museum is located in Tucson and open Wednesday through Saturday from 10-4. The cost is \$10 for seniors. I will have a sign-up sheet at the May 6th meeting.

## GREEN VALLEY/SAHUARITA CHAMBER OF COMMERCE DINNER

Rich Marsula and I recently attended the chamber's 40th Anniversary dinner to give the Car Nuts a "plug". The event was well attended and we met various business men and women. We put our flyers on the reception table to promote our club as well.

We met the owner and general manager of our recently remodeled McDonalds on Continental. They indicated that they hire many students from Walden Grove and Sahuarita High Schools and they were interested in the student involvement with our car show and our scholarship program.
