JUNE 2019

## FROM THE EDITOR

Our President, Carol Shelton has planned lots of activities for the summer months.. Emails will be sent out with more information.

Our next general meeting will be at Dominick's at the Green Valley Country Club again in July. They did a great job of serving everyone.

REMINDER:  
IF YOU HAVEN'T PAID YOUR DUES, THEY ARE LATE!!!! THEY ARE \$25 FOR THE YEAR. SEE PAGE 4.

(See page 4)

## CANYON VALLEY MEMORY CARE EVENT

On June 6<sup>th</sup> many of us attended a fundraiser at Canyon Valley Memory Care. The organizers at the center provided those attending root beer floats and a popcorn "bar". (Popcorn and lots of candy as add-ins of our choice.)

We Car Nuts filled the parking area designated for us and although it was hot we sat under a canopy with the occasional breeze. Staff brought out many patients and showed them our cars

While sitting, eating and drinking the floats we had lots of car show planning and gathering of volunteers.

Funds from the event benefitted the Sheriffs Auxiliary Volunteers (SAV). These volunteers perform home checks, telephone checks, help with traffic control and many other duties to make our community a better place to live.

The event gave raffle tickets to those donating to the cause. The prizes were flower pots painted by the residents. Two car nuts won and offered them to patients and they were happy to take them back to their rooms. There was also a silent auction with several baskets to bid upon. I provided a car poster and brought information about the club for the table. It brought \$30 for the SAV. I made the high bid of \$45 for a red, white and blue basket. It had lots of items I plan to donate for our 50/50 bonus prizes. I got a special bonus! When I opened it at home, I found it had a \$50 gift certificate for Sprouts!! Winner!!!

# Minutes of General and Board Meetings

## General Meeting May 2019

The June, 2019, general meeting was held at Dominick's restaurant at the Green Valley Country Club.

The meeting was called to order by President Carol Shelton at 8:03 a.m. with 33 members present.

No new members or visitors were introduced or present.

Treasurer, Art Mournian, gave the treasurer's report and stated that there are many members that have not paid their club dues. To avoid a call from board members please respond ASAP. Your dues help keep the club solvent throughout the year. If you are not sure if you paid your dues, please call and check with Art at phone number 520-269-7587. Thank you for your cooperation.

### Activities, car shows and fun runs from last month.

Nickels Diner - 44 cars for their car show. All proceeds from their show go to the Rio Rico schools. Santa Rita Health Care - not many attended but were given a free breakfast. Gammons Gulch (an old west movie set) - a fun time for those who attended with a stop for lunch also. With many members gone for the summer, and warmer weather conditions, car shows and activities have been slow.

A trip to the Railroad Muse-

um may be a future activity.

The Randy Estes Amado Chili Cook off was brought up. A flyer was passed out with the date set for November 16, 2019. It was mentioned that our club be a sponsor for that show. A discussion followed with members present agreeing that the club donate \$1000.00 to them. Proceeds go for a new youth center to replace the old center which was damaged in the Amado flood.

A couple of months prior to our next car show, it was discussed that the club advertise in Hemmings Magazine and Cruise Arizona.

# JUNE GENERAL MEETING

## SCHOLARSHIP NITE AT WALDEN GROVE AND SAHUARITA HIGH SCHOOLS

It was interesting to read our GV News of 5-22-19. Interviews from GV "seniors" (like me) described differences from their graduation days to the present.

Comments included: "Then fields for the student to work towards was based upon gender: nurse = girl, doctor = boy", "Students should focus on opportunity and not the negative", and "It's a difficult, complex and complicated world now".

Back to 2019: Our scholarship recipients have proven they are ready to succeed by doing the hard work, and keeping a clear focus. They have their whole life ahead of them and seem ready to make it the best one they can. Thank you Car Nuts for helping make their future bright and positive by volunteering in so many ways at our annual Collector Car Show!!

Let's keep up this positive labor of love.

## Santa Rita Nursing Center

May 13, 2019 nine Car Nut cars visited Santa Rita Nursing and Rehabilitation Center in honor of National Nursing Home Week. There we showed our cars, had a very nice breakfast and enjoyed meeting staff members of Santa Rita. A special treat was seeing many patients come out into the sunshine and see our cars.

Several patients remembered images from their past – like the lady who had previously lived in Mexico and said her three young children got to ride in the back of their pickup truck very similar to the one owned by Bruce Dean. Or the gentleman who knew what engine was in every car there. It was particularly gratifying to see the smiles on the faces of those patients.

## JUNE CRUISE JUNE 17

Remember neon signs? Motels, bars and diners all had them. The city of Tucson even has a big push to keep Neon alive. Neon and collector cars seem to fit so our June Cruise will be to the Neon Museum "Ignite". It is a sign art museum with over 350 items on display. We will have the opportunity to walk through a diner and window shop in store fronts along "The Avenue". This museum is located in Tucson. The cost is \$10 for seniors

Location: 331 S. Olsen, Tucson

## GAMMONS GULCH

Last month we went back in time to the Wild West by visiting Gammons Gulch. Jay Gammon and his wife Joanna built an entire western town off a road to nowhere. All buildings and their contents are authentic. Each has its story. There were donated and Jay often took the building apart, hauled it back to the property and put it back together.

Jay's father worked for John Wayne on movie sets. As a boy Jay got to visit these sets and had cameo roles in some of the movies. He liked the sets and wanted to create his own. So he began building this Movie Set and Museum over 38 years ago.

Car Nuts had a grand time exploring each building and pointing to one another with a, "Hey did you see this?" or "I remember those" and reading the signs like the one warning not to use a match to light the Edison electric bulb – simply turn the lever on the wall into the up position.

We had an amazing lunch at the Horseshoe Café featuring homemade delights. Many pieces of pie had to go home with us because the portions were so large. But the homemade pies had our names on them and we had to do it.
