

# NUTS & BOLTS

Santa Cruz Valley Car Nuts, Inc.  
JULY 2019

## FROM THE EDITOR

Our President, Carol Shelton has planned lots of activities for the summer months.. Emails will be sent out with more information.

Our next general meeting will be at Dominick's at the Green Valley Country Club again in August. They did a great job of serving everyone.

REMINDER:  
IF YOU HAVEN'T PAID YOUR DUES, THEY ARE LATE!!!! THEY ARE \$25 FOR THE YEAR. IF WE DON'T RECEIVE THEM, YOU WILL NOT RECEIVE YOUR NEWSLETTER. WE WILL MISS YOU.

## IT ALL STARTED WHEN.....

Jude Cook spent his career in the design and sign industry. He began his own sign business over 40 years ago, first in Iowa and then Cook & Company Sign Makers in Tucson. Approximately nine years ago he started restoring historic neon signs in Tucson, which now totals twenty-three in the Tucson area, several in Casa Grande and one in Silver City, New Mexico.

Not only has Jude created and restored signs, he collected them too, both large and small. His collection reached critical mass. It filled the walls and the backyard of his sign business and took over parts of his home, so it was time to do something with all those signs, so he decided to share his collection with other sign lovers.

And that's what he did and that's where 15 Car Nuts and three guests went on June 17. What an amazing place!! They opened the museum just for our club and had a marquee prepared stating: "Welcome to Santa Cruz Valley Car Nuts".

When our tour and the history of the signs was completed, we drove to the Welcome Diner and had a private room and food homemade and delicious. Several desserts went "to go".

# Minutes of General and Board Meetings

## General Meeting July 2019

The July General Meeting was held at Dominick's. It was called to order by President Carol Shelton at 7:50 a.m. with 27 members in attendance.

**Tony Bruno** – The Randy and Rose Estes Amado Chili Cook-off and Car Show: Tony Bruno was our guest speaker. He is an organizer of this show and wanted to thank the Car Nuts for their assistance with the show. Our members Arthur Mournian, Jay Lucas and John Hepfer helped organize this show. He also thanked the club for the \$1,000 donation. The donation will help build a facility for the Amado Youth Center they run. The previous facility was destroyed in the flood. The goal of this center is to help the youth busy and productive. He explained that Amado is merely a place on the road and not a town. It is in both Pima and Santa Cruz County. The youth come from Rio Rico to Sahuarita and are from low income families and some experience substance abuse. There are various programs: including very young children and teens. They presently meet at various locations. The teen program is focused upon keeping them in school. When they arrive they are helped with their homework and given a meal.

### Treasurer's Report:

Arthur Mournian gave the treasurer's report. Contact Arthur if there are any questions.

Bethany Alger sent a thank you card for her scholarship. . New Members: We had two new members join. They are Dan Cooper and Wendy Berg. Dan has a 1932 Ford and Wendy a 2003 TBird.

**Health and Welfare:** Carol Shelton stated that Bud Cranor passed away. No plans are known as to services.

**Cruise to Ignite** – Neon Sign Museum: Bob Smith told the details of our cruise to the Neon Sign Museum and our delicious lunch at the Welcome Diner.

### Canyon View Memory Care

**Car Show:** Carol Shelton spoke about our recent car show and that many patients got to look at our cars.

### 1st Canoa Cup. Collector

**Car Show Fundraiser.** Saturday 9-21-19 from 9:00 a.m. to 2:00 a.m. Historic Canoa Ranch. Funds go towards the restoration and preservation of the Historic Canoa Ranch which is listed in the National Register of Historic Places.

**Father's Day Car Show:** Bruce Dean let the club know that he attended a car show held at Old Tucson. This is an annual event and he suggested we might want to attend next year.

**July Cruise:** Miniature Museum. This is a permanent collection of over 300 miniature models and a temporary collection of small scale models created by John Ackerman. It will be held on July 25. Meet at Walmart at 9:00 a.m. A sign-up sheet was passed. Contact Carol Shelton (520) 398-3261 if you did not sign the sheet.

**50/50:** The total collected for the 50/50 was \$50. Ed Bigby was the lucky winner and he donated his share back to the Club. . Also given in the 50/50 was a \$50 gift certificate for Brake Masters and donated by Jon Stein. It was won by John Hepfer. The meeting was adjourned at 8:45 a.m.

## Next General Meeting

**August 5, 2019**

Breakfast - 7:30am

Meeting - 8am

## Board Meeting July 2019

The Board Meeting was \$5/person with children under 12 free.

called to order by President Shelton at 9:00 a.m. with Board Members Jay Lucas, Del Hammond, Arthur Mournian, Ed Bigby, and Bob Smith in attendance.

The minutes and treasurers reports were reviewed and approved.

### Car Show Activities:

**Number of cars on field:** It was discussed to limit the number of cars on the field to 550, but to seek advice from Dale Hukari before making a final decision.

### Membership Dues:

There was a discussion about raising a new member's dues. The amount we now charge does not pay for the membership badge. This will be tabled until the fall when we have members back from the summer

### Entry Fees and Gate:

The board discussed the amount of entry fees. A motion was made by Jay Lucas that we charge \$30 from 9/15/19 to 10/15/19, \$35 from 10/19/19 to 1/2/20 and \$40 after that. It was seconded by Ed Bigby and the motion passed. A motion was made that we continue to charge

**Volunteers for the Car Show:** There was a discussion about the need for volunteers. A car show meeting will be held in August with the date TBA.

**Car Show Book:** Bob Smith will load information from the car show book into the new system we will be using.

**Car Show Classifications:** Board members were given the actual number of cars entered in each class. One example was British Cars All because it had 54 entries while others (the two Corvette classes had combined entries of 19). This will be reviewed and changes to the classes will be made.

**Vendors:** Jay Lucas suggested that Vendor Tents should be set up along the same area as the registration, TShirt sales, etc. A Vendor is defined as a car related business that can discuss their service/product but not sell at the show. Meeting adjourned at 10:05 a.m.

# WELCOME NEW ADVERTISERS

**W.F. Stevens Financial Advisors, LLC.** This office is located at 518 E. Whitehouse Canyon Road just before going up the hill to Madera Canyon. His telephone number is 393-0924. Bill Stevens' staff includes Debra Green and Emily Glabe. Bill is a Wealth Manager and a Certified Kingdom Advisor. **(A Certified Kingdom Advisor (CKA) is a disciple of Christ who is committed to being a person of character who, from a biblical worldview, serves clients with biblical financial advice in order to properly steward the resources entrusted to them.** Bill has donated much to the Car Nuts in the past including being a table sponsor at the BBQ before the car show. Bill is a veteran and has a very large and busy family. Debra Green is a Certified Financial Advisor. She is married to a "car person". He has a 1950 Chevrolet Business Coupe, is building a Cobra someone in Phoenix found too difficult to build, and owns a Gazelle. The Gazelle was manufactured by the British manufacturer Singer. Give them a call if you have a need.

**Mr. Arizona Jewelers.** Robert Gonzalez became a recent advertiser. His store is located at 210 W. Continental near True Value Hardware with a telephone number of 838-0060. He has over 20 years of jewelry experience. He specializes in diamonds, colored stones, precious metals and jewelry repair. He sells estate jewelry and it is possible to put items on consignment with him. You will have a very warm welcome entering his store.

**Pinkys Furniture Consignment:** Kimberly Veliz owns Pinkys located at 410 W Continental by the Bank of America. Her business takes furniture, pictures and other household goods on consignment. She keeps busy in the high season selling items to winter visitors. The store offers many high end items at bargain prices. Go take a peek.

**Sharpening made easy:** Steve Bottorff, a Car Nut member, is new to our list of Newsletter Sponsors. His business sharpens knives, scissors and tools. His business card lists his web page: [sharpeningmadeeasy.com](http://sharpeningmadeeasy.com). Upon opening the page it states, "Learn a skill your father should have taught you". One can order his book, "Sharpening made Easy".

# Ads You Might Remember

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

166 POPULAR SCIENCE JANUARY 1963

## USE CAR'S EXHAUST TO CLEAN CUSHIONS

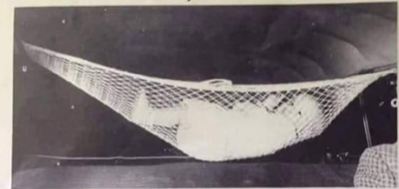

Using the exhaust gas of the automobile to clean the upholstery is the accomplishment of a recently invented device. An aluminum attachment is fastened to the exhaust pipe and the engine is allowed to idle. As the exhaust gas passes through this device suction is created at the inlet hole. Collected by a nozzle, the dust and dirt are drawn through the hose and expelled into the air at the rear of the car. It is made in three models, for cars of different size.

With the car's engine idling, gas from the exhaust creates a vacuum that cleans the cushions

## He'll be in kindergarten

**WHEN HER RAMBLER NEEDS ITS FIRST CHASSIS LUBRICATION**

He's two. The Rambler's brand new. He'll be two most likely, and riding to kindergarten, when the Rambler Classic needs its first lube job. Meanwhile, it will travel twice as far for 1000 miles engine oil changes as any previous model.

In high school, if he drives this Rambler, it will still have the same Corbin-Armstrong rubber and vulcanite. (Should

other rust out, collision damage excepted, free replacement for the original owner will be made by a Rambler dealer. That's guaranteed.)

Sound like the car of a lifetime? It is. The starter and generator are lubricated for life. Rambler Single-Unit construction, with its hundreds of extra welds, stays remarkably free from squeaks and rattles.

And Deep-Dip rustproofing, right up to the roof, makes Rambler the world's most rustproofed car.

Remember there may be a completely service-free car that lasts forever. Today Rambler comes closest. Come get the full story from your Rambler dealer.

Always lubricate every 3 years or 33,000 miles, whichever comes first.

# TOP 5 COLLECTOR CARS TO PURCHASE

I saw an interesting article about the top 30 cars to purchase and hold for the future as the value may be on the rise. Here are the top five.

## 1984-93 Saleen Mustang

Former race driver Stephen Mark "Steve" Saleen is the founder and former vice chairman of Saleen, Inc., making specialty vehicles including the highly modified Saleen S7. So I was curious. Let's see if I can find one for sale. Nope. But a 2007 Saleen Parnelli Jones was available. It was number 223 of 500 going for \$39,900 and painted a bright Saleen Grabber Orange.

## 2004-2006 Dodge Ram SRT10

This is a full size pickup truck. So Auto Trader search here I go. And the results: \$37,500 being sold by a private party and located in Arizona City. It's a beautiful white with blue racing stripes and the Viper Ram SRT/10 Commemorative Edition logo on the side and front.

## 1996 Chevrolet Corvette Grand Sport

e-bay was the key this time. It's in South Florida with a \$47,500 price. The ad shows it as blue with a white Racing Stripe and 11,600 miles always stored in a climate controlled building. The ad states the original price was \$43,000. Only 1,000 Grand Sports were built for 1996, which was the final model year for the car's fourth generation. This one may have potential for this "future value" theory.

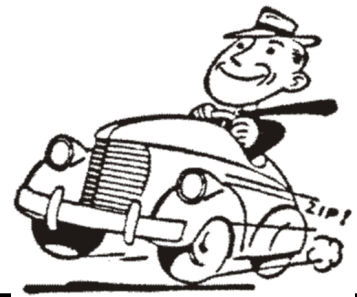

## 1994-1996 Buick Roadmaster Estate Wagon

This Buick station wagon was the last of the full-size V8-powered land yachts that once ruled suburbia. So now we will go to Indiana for one. It has 144,674 miles and is green with wood paneling and all the bells and whistles including a/c needed in Arizona. The ad states it was used "by an older couple as their back up winter car". That's why it has a rusty frame. This one is only \$2,400 rust included for free.

## 1972-75 BMW 3.0CSL

With only 87,000 miles, this silver blue 1974 BMW 3.0CS is in good to better condition. Classic Cars.com states it was owned by only 1 family and has teak interior trim, leather seats and has a rebuilt running engine. For \$45,000 it has definitely appreciated from its original price.
