Minutes of General and Board Meetings

General Meeting September 2019

The September 2019 general meeting was called to order at 7:57 by President Carol Shelton at Dominicks restaurant with 35 members in attendance.

President Shelton had to speak a little louder as the portable microphone was on the blink.

Treasurer Art Mournian gave the financial report. Anyone with questions may contact him. Art also was and is collecting coats again this year for the poor, homeless and less fortunate.

Carol mentioned the passing and wake of one of the clubs founding members Fred Steinbach. Many of the club members attended the memorial service Saturday, September 7th. Carol also had a card for members to sign to send to the Steinbach family.

Upcoming events:

September 21 – Canoa Cup First Annual Car Show – 9 to 2 pm

September 27 – 29 – Run to the Pines – Pinetop – Lakeside Arizona

October 12 – Cars in the Park - Sierra Vista

October 19 – Tucson Classic Car Show – Tucson

October 26 – White Elephant Parade

Plans are to have students and teachers march with our group of cars carrying the club banners. Carol will also have balloons made of cactuses.

The theme of the parade is "Celebration of the Desert".

November 2 – Cops and Rodders- Tucson

November 16 – Amado Chili Cook Off and car show

This car show is in honor of Randy and Rose Estes.

John Beckman spoke about the Caterpillar Car Show held

on August 24 at the caterpillar proving grounds outside Green Valley. This car show was attended by many of the club members. Nice covered parking. Many of their large mine equipment were on display. Seven trophies were handed out. Member Ray Paradis won Best of Show with his restored 1947 CJ2A Willys Jeep and John Beckman received Best of Class 1960 and newer with his 1964 Chevy Impala SS.

New member in attendance were George Norsig, Mark Carlson and Pat Kingbaum. Each gave a short talk about themselves.

Member Bob Smith gave a power point presentation with handouts on the new club website (carnuts.org) under Wild Apricots. All members will need to log in and reset a new password and enter your personal profile information. The power point and paper handouts were very detailed on how to navigate the new system. The new website has many new features. Registration for the next car show, purchasing BBQ dinner tickets and volunteering for the car show will all be listed and monthly newsletters.

Our club is moving forward with the rest of the world on internet communication.

The 50/50 drawing was won by Ray Paradis receiving \$55.00.

The meeting was adjourned at 9:25.

SEPTEMBER GENERAL MEETING

NUTS & BOLTS—Club publication of the Santa Cruz Valley Car Nuts, Inc.
Santa Cruz Valley Car Nuts, Inc. P.O. Box 1216, Green Valley, AZ 85622-1216

REMEMBERING FRED STEINBACH

2020 CHEVROLET CORVETTE

Fred Steinbach, a founding member, passed away recently. He lost his wife, Doris, several years ago. Fred lived at La Posada for several years. Fellow Car Nuts would take him to breakfast regularly and when that was no longer an option, they would visit him.

Fred became a board member in 1991 and then took the position again about 2006. Fred was a car enthusiast his entire life.

He was born in 1921 and retired in Green Valley. He and several other men decided what Green Valley needed was a car club. The Santa Cruz Valley Car Nuts were formed. They established major events for the club and included their First bus trip to the Barrett-Jackson auction. It was said the men left the bus for the auction, while the women went on to shop in Scottsdale. What a great idea the women had!

They began to hold small cars shows and they grew each year. They eventually provided a vehicle for the high school students of Sahuarita High School with car show proceeds. The vehicle was presented to a student at the All-night graduation party for the seniors.

Fred saw his last SCVCN's car show last year. Members Rich Huston and John Johnston drove him to see our show at the Tubac Golf Resort. They took turns driving Fred through the rows of cars (after commandeering one of our golf carts.) I for one am thankful to Rich and John for thinking so much of Fred to do that.

Fred was a one of a kind guy!

JACKET DRIVE

Once again summer is leaving us and fall is approaching, pretty soon you will be turning the AC off and have to wear a long sleeved shirt with your Bermuda shorts and sandals until finally socks will be needed to be worn with the sandals and the central heat will be necessary to keep the house warmer than 70 degrees.

That is what winter looks like for most of us, unfortunately there is a lot of poverty around us, both in Pima county and Santa Cruz county just to the south of us. Sooo, once again I am asking for contributions to a local charity that provides jackets and sweaters and anything warm to those who need it. The charity Warmth From The Heart, is a 501c(3), so you can get a tax deductible receipt. The founder and major force in operations is a local business woman who gathers the jackets and distributes them in late October. Jackets are donated, bought and stored all year long with the main drive beginning now, in September. Last year the CarNuts donated a lot of jackets and sweaters and other warm upper garments. This year CarNuts started in the spring with a big box of donations and again last week, at the September CarNuts meeting, with even more and heavier jackets. Those jackets have been delivered already.

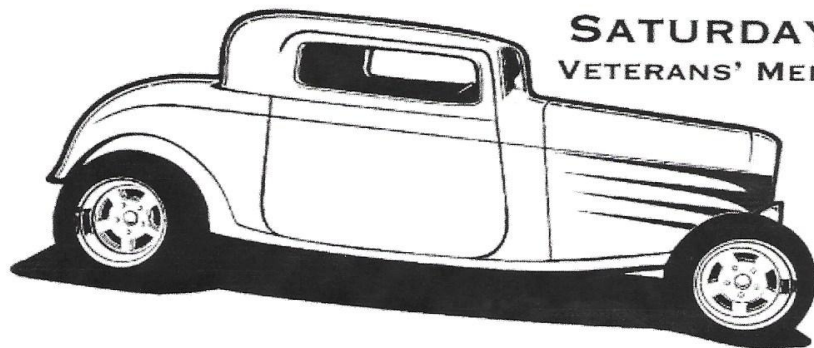

In order to make it even easier to donate there are now bins at each fire station in Green Valley, that would be at Abrego and Continental, Camino del Sol and Encanto, and the one on La Canada east of Esperanza. You can drop the jackets off and they will be picked up and delivered to the staging facility in Sahuarita. If it is difficult for you to drop off the jackets, give me a call and I will pick them up from you and get them to Warmth From The Heart.

Some of you may remember when Tony Bruno spoke at the club meeting last spring, he noted that there are a lot of poor, monolingual usually Spanish, and poorly educated people who need the jackets and really appreciate them. If you can help with a jacket, sweater, sweat shirt or any warm outer garment it will be put to good use. And if you give it away maybe you will have a reason to stay in Green Valley a little longer and not return to where you might have to use it.
