CANOA CAR SHOW

I got a call one day a couple of months ago from Valerie Samoy of Pima County Government. She said they wanted a car show at the Historic Canoa Ranch. This was a working cattle ranch back in the day and restoration has been going on for a long time. The proposed car show was to earn funds to continue this work and to make an awareness of the site.

Valerie said she didn't really know how to organize a car show and I said that I didn't either. I said, "Lets roll up our sleeves and give it the old college try". Nearly 80 beautiful cars arrived at Canoa Ranch on 9/21/19 (their capacity) including many Car Nuts and the Mustang Club. It was fun that there was such a variety of vehicles including Dave McKnight's military jeep and trailer and every day driver Ford.

They had food and beverage vendors and booths selling a variety of items. Unfortunately their DJ was taken to the hospital soon after arrival. For a time a smart phone was used for communication. Later volunteers came with a more proper system.

The Car Nuts had a table to support our club and car show. Flyers were handed out also for the Randy and Rose Estes Car Show to be held on November 16th. Gwen Dean and Denys Dorr assisted with this effort, thank you ladies. This resulted in several spectators indicated they are interested in our club.

Three awards were given. Our Bruce Dean won top prize of the very first "Canoa Cup". It was a hand blown heavy blue cup made especially for the event by a master glass blower who happens to be an employee of the ranch! Congratulation Bruce and Gwen.

During the show spectators had an opportunity to tour parts of the buildings. One building houses a picture of members of the Salcido family early cowhands. They are relatives our member Rosemary Vasquez. A future tour of the ranch with a lunch will be planned so we can learn its rich history.

Minutes of General and Board Meetings

General Meeting October 2019

The October 2019 general meeting of the Santa Cruz Valley Car Nuts was held at Dominik's restaurant. The meeting was called to order by President Carol Shelton at 7:55 a.m. with 37 members present. No new members were present.

Treasurer Art Mournian was absent. No report was available.

Carol mentioned that member Phil Layton will be in charge of judging the cars this year. He will have other members to help. This is in place of the ballot voting that was done in the past. It is hoped this will speed up the award presentations.

There will be a car show meeting on October 10 starting at 9:00 a.m. at Carol Shelton's home. All members helping at the car show are welcomed.

It was noted that two permits will have to be applied for at this year's car show. The first is a Planning Program with the Tubac Fire Department and the second is for a County Road Permit with Pima and Santa Cruz counties.

Board member Del Hammond has set a date with the American Legion Post 66 for the car club holiday party. The cost will be \$21.00 per person. This price is more favorable than last year. A nice menu is planned. Sign up will be on the club web-site.

The first Canoa Car Show was held Sept 21 with around 80 cars present. Proceeds went to the Amado Youth Group to build a new youth complex.

Our car club donated \$1000.00 for that cause.

Upcoming events:

Oct. 12 – Cars in the Park – Sierra Vista

Oct 19 – Gregory School – Tucson

Oct. 26 – White Elephant Parade – Our club will have cars plus students and teachers marching with banners.

Nov. 2 – Cops and Rodders – Tucson

Nov. 9 – Coats for Kids car show – Nickels Diner – Rio Rico

Nov. 16 – Randy Estes Amado Chili Cook-off/Car Show – Amado

Nov. 16 – Good Guys Collector car show – Westworld – Scottsdale

Nov. 22 – Le Tour Bicycle event – Riders will be at the Continental Mall that evening. Wednesday night car enthusiasts and Car Nut members are asked to bring their cars. No time was available.

Keith Wittman from American Legion Post 131 gave a talk on a bus tour going to the Barrett-Jackson Collector Car Auction on Thursday, January 16, 2020. Cost will be \$60.00 per seat. This is the 12th year for this trip. Sign up will be November 4 at the post at 10:00 a.m. There will be four buses scheduled for the first 200 to sign up.

The 50/50 drawing of \$62 was won by Chuck and Denys Dorr. They donated \$20 back to the club.

Meeting adjourned at 8:27 a.m.

Dominicks

Board Meeting October 2019

The board meeting was called to order by President Carol Shelton at 8:50 a.m. Board members Jay Lucas, Del Hammond, Ed Bigby, Bob Smith, Dan McGuire, Rich Marsula and John Beckman were present. Also present was past-board member Gary Ballew.

Bob Smith reported that there are 117 cars registered so far. This is 23 ahead of last year at this time.

All vendors that will be at the car show are required to furnish their own tents which will be lined up at the end of our club tents.

A discussion on the web-site registration fee for the holiday dinner of 93 cents will be handled by the club. Motion by Rich and seconded by Jay was passed for the club to pay this 93 cents.

The cost of the holiday dinner will be \$21.00 per person.

A discussion on the Quail Creek Car Show was covered. Many of the Car Nuts help organize this show also. A motion was made by Jay and seconded by Ed to have registration for that show on April 5, 2020, be handled through the Car Nuts web-site. Registration for that show is \$30. After all expenses of that show are paid the proceeds will go to Friends in Deed. Motion past.

A motion by Jay and seconded by Rich was

made to have a sign-up sheet and a lap top computer at the November 4 general club meeting to allow members to register to help at the car show in January. Motion past. Volunteer sign-up has been going slow. Hopefully this will help to get the many volunteers needed.

A motion was made by Ed and seconded by John for Ed to research and purchase a new portable microphone to be used at the meeting and other club events. Motion passed. The old microphone has not worked for a couple of months and is unrepairable.

A motion by Rich and seconded by Ed was made to purchase 4 portable CB radios to be used for communication for key people at the car show. Board member Gary Ballew has access to purchase them for \$45 each. Cell phone reception is very poor at the Tubac Resort. Motion passed.

No other business came up.

Meeting was adjourned at 9:20 a.m.

WE MADE TWO NEW FRIENDS AT THE CANOA CUP

Our first new friend is Valerie Samoy of Pima County Government. She displayed a very nice "thank you" to the Santa Cruz Valley Car Nuts for assisting in the recent car show at Canoa for all at the show to see. See the graphic with this article. This was her first adventure into the wonderful world of car shows. With 80 cars attending I believe that that was a first great attempt. I especially enjoyed the fact that Bruce Dean won the very first Canoa Cup, Valerie is also going to e-mail all who attended to let them know about our January Car Show.

Our second friend is Dawn Morley, President of the Friends of Canoa Heritage Foundation. She is sending information to foundation members about our club and car show on a pro-bono basis. She is including Lois Sostarich for being the driver of the White Elephant Parade's Grand Marshall.

It's nice to have lots of friends!!

OCTOBER WEB TIPS By Bob Smith

Some of you have been having some difficulties with the web site. Many of you haven't initialized your accounts. The member data that was available to us was imported into the Wild Apricot Member Management System. Some of that information may be incorrect or need to be brought up to date. This requires you as member to be able to login into the web site <https://carnuts.org>. In order to login you must first activate your member account.

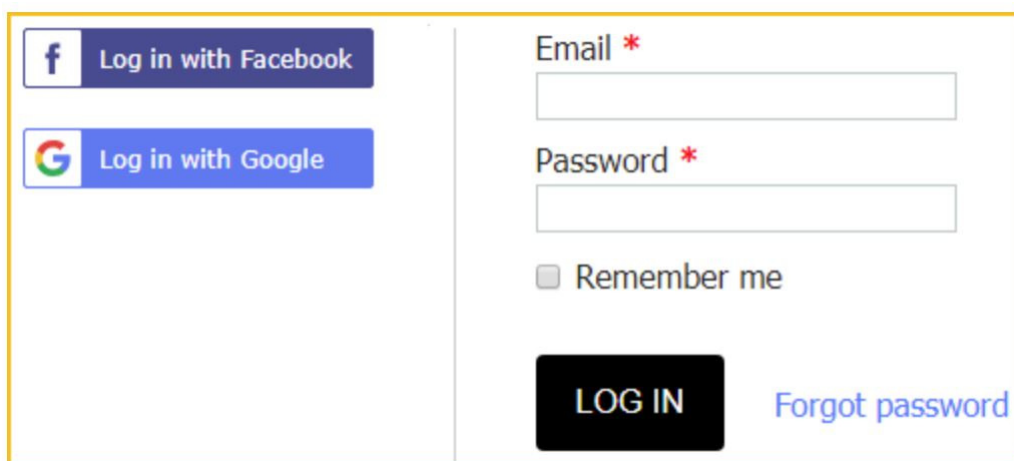

Your username is your primary email address. That email address is currently the address that you receive Newsletters from Maryann. There is a single account per membership. If you have been receiving emails from the new website that is typically the address assigned to member account. Secondary email address may also be receiving emails. That is because the system has been setup to send email copies to the secondary address.

If you haven't activated your login account, you will continue to receive Event notifications and other emails from the club. Additionally, you will be able to register for events that don't require logging into the website. These events are essentially RSVP Events. To take full advantage of all membership features you will need to activate your account.

To activate your account requires that you set a password.

Step 1 Use your computer, notebook or smartphone browser to connect to <https://carnuts.org>. This will take you to the Home Page of our website. Click on the Login button at the upper right of the scene. This will take you to the Login screen.

Step 2 You have several options on the Login Form. Click Forgot Password to set up your Carnuts user account. If you use Social Media and have a Facebook or Google, you can login with those login credentials. Setting up your Carnuts user account is the recommended method.

The image shows a login form for the Carnuts website. On the left side, there are two social media login buttons: 'Log in with Facebook' (with a blue 'f' icon) and 'Log in with Google' (with a multi-colored 'G' icon). On the right side, there are two text input fields: 'Email *' and 'Password *'. Below the password field is a checkbox labeled 'Remember me'. At the bottom of the form, there is a black button with the text 'LOG IN' in white, and a blue text link that says 'Forgot password'.

If you elect to use your Carnuts account, you can click the Remember me button and your browser will store your login credentials for future login.

Step 3 Check your member profile and make any necessary changes

Upon successfully login you will be taken to the Home Page. In the upper right of the Home Page you will see your **Name, Change password and Log out**. These are links to those functions within the web site. Click your **Name** which takes you to your Profile. Click **Edit Profile** to correct any errors such as addresses, phone numbers and email addresses. The import of data from Excel into Wild Apricot added a year to the Birthday and Anniversary information. These date fields should have only month/day not month/day/year. Delete the /year from those dates. If there is Show Car profile information the Classification may be blank. Click on the Class text box and the dropdown menu appears, click on the Classification that best suits your car. Now Save by clicking the Save button at the bottom of the page.

Now that your account is setup and your profile is up to date, start exploring the site. When logged in you have access to the Members page. You might want to explore the Members.

Note: Your email address aka username must be a working email address, otherwise we will not be able to communicate with you. If you change your email address, you will have to go through password reset to gain access to your account.

Events Web Tip

With our new website we have an **Events/News** page. The Events/News page lists our upcoming events. There is a **Calendar** sub-menu under **Events/News**. **Calendar** presents the events list in abbreviated full presentation form and full month view.

There are two types of Events.

RSVP events are such as Club Meetings, Amado Car Show and the Barrett Jackson Bus Trip. RSVP events are notification events. It let's you know who is intending to participate in event which we do not collect fees. Most of our events will be RSVP.

Complex events are events are such as the Holiday Luncheon, Tubac Collector Show Registration and BBQ Dinner. Complex events can collect extra data and fees.

Smartphone App

For iPhone and Android smartphone users there are downloadable Apps at the Apple Store and Google Play Store. Download the Wild Apricot Member App. Once you have downloaded the App open it and login with your email address and password. Your phone can save your login information which simplifies future access. You may be asking why would I want to do this. The App lets you perform many of the tasks you can do from a computer browser. It lets you sign up for events, view events that you sign up for. You can use it to check in at events, manage your profile and much more. These Apps should work on most notebook and iPads.

ARE CAR SHOWS BORING

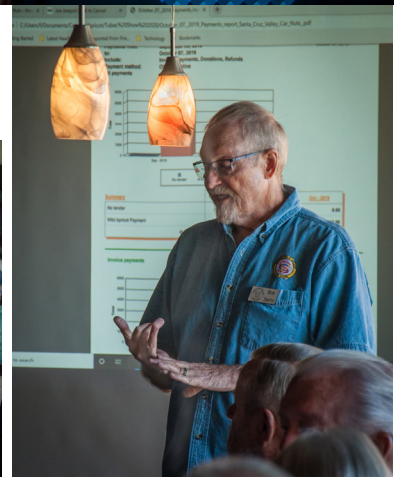

A car show has been held in Long Beach, California for years with as many as 1,000 cars in attendance. This year's show drew about 300 cars. Organizers are still scratching their heads - what has changed, what is happening? Articles in their local paper suggest these factors and the one that popped out to me was:

Car Shows can be boring. And perhaps us Car Nuts should be thinking more of a Hollywood approach. What's wrong with specialty vehicles. As an example, for several years we have had entries of old cars and trucks pulling classic trailers and boats. We received two entry fees for those. Spectator interest was high, especially when the owners allowed tours inside. So how about encouraging this and perhaps jeeps and buggies that explore our desert region, rat rods, homemade and even exotic newer vehicles.

Excitement and interest goes a long way and because everything evolves perhaps we should do likewise.
