

NUTS & BOLTS

Santa Cruz Valley Car Nuts, Inc.
November 2019

FROM THE EDITOR

Our car show committee is meeting monthly for planning purposes. The next meeting will be 11/14 at 9:00 a.m. at Carol Shelton's house. It is located at 2415 E Overview Lane, Green Valley (Quail Creek). We need lots of volunteers, so come join us. You may have an idea the committee has not thought of.

This year we have "New Hoops" to jump through including special permits to be granted by ADOT and a permit required by the fire department. Also new this year is a requirement that we pay to have law enforcement on hand during the show.

Have you volunteered to help present the show? Please go to **carnuts.org** to register on-line. If you have trouble, email **TubacShow@gmail.com**

WHITE ELEPHANT PARADE

The Car Nuts made a fine showing at the Annual White Elephant Parade. We lined up at space 12 as usual. What was not usual was the traffic getting to our space and the fact that the organizers placed the signs wrong. But as usual, we "Nuts" made the best of it. Leading our group were two young men from the high schools holding our Santa Cruz Valley Car Nuts banner. Other students rode in our cars and held their school banners.

New this year was member, Mert Urness in my car with Jean Pfeifer. I had a sign on the side of my Mustang honoring him as a founding member. Regina Ford gave a call out for Mert as well as many of his friends in the crowd.

The parade had 101 entries, lots of people young and old and lots of fun! Following the parade many of our cars appeared at the American Legion Post 131 where we had hot dogs and beverages. **By: Carol Shelton**

Minutes of General and Board Meetings

General Meeting November 2019

The November 2019 general meeting of the Santa Cruz Valley Car Nuts was held at Dominik's restaurant.

The meeting was called to order by President Carol Shelton at 8:00 a.m. with 43 people in attendance.

Treasurer Art Mournian gave a financial report. Anyone with questions can contact him.

Past member Joan Manhart was a visitor. New member Victor Harms was introduced.

There were no cars for sale and no one had purchased any new rides.

Member Phil Layton played a radio ad that Dennis Gage will be playing on many radio stations promoting our car show, the Tubac Golf Resort and the community of Tubac. Dennis Gage will also be promoting the car show on his TV program.

Phil also gave an update and information on how the car show judging will be done this year. In the past it has been by ballot which had always had the concern of large groups stuffing the ballot box with their favorites. This year there will be volunteer judging groups that will do the judging. If you feel qualified to judge cars please sign up on the club website. Each judging group will be assigned so many classes. This should only involve a maximum of two hours of volunteer time. If you signed up in another area you should be able to assist in that also. The show needs many volunteers.

Bob Smith reported that there are 74 signed up for the BBQ dinner, 75 T-shirts sold, 12 RSVPs for Nickels Diners Car Show, 32 RSVPs for the Amado Randy/Rose Estes Chili Cook-off car show, 17 for the club holiday dinner party at the Legion and 177 participants for the car show. This number is up by 34 from last year at this time. Bob also created an Email account for anyone with questions regarding the Website. That Email address is Tubacshow@gmail.com. After the meeting, Bob and his wife Anne both had laptops to assist

anyone needing help.

John Murray gave a talk on a Route 66 Run/Tour he is putting together that will start on Thursday April 30 through May 3rd, 2020. This trip promises to be scenic and a fun time. More information will be coming as he gets it all put together. Save the dates for a great time.

The White Elephant parade was well attended. Students and teachers had a great time participating.

Upcoming Events.
November 9 – Nickels Diner Car Show – Rio Rico

November 16 – Amado Cook/off/ Car show

November 14 – Car show organizational meeting – Carol Shelton's house – 9 – 11 a.m. All are welcome

Jay Lucas had a signup sheet available for anyone that has not signed up to help at the car show. Much more help is needed. He stated that this is the only time the club is asking for everyone's help throughout the year. The shifts are only three hours long.

Art Mournian asked that any ladies who would like to order a ladies t-shirt let him know.

The 50/50 raffle of \$74 was won by Sally Van Atta who donated \$40 back to the club. Thank you Sally.

Four books were also given out to ticket holders.

Meeting was adjourned at 8:45 a.m.

THE HONEYMOON CAR AND WHITE ELEPHANT PARADE

"The "Honey Moon" car was not always so pretty and shiny. In fact it was a mess. But with the cost of only \$35.00 what can one expect? That beautiful maroon 1949 DeSoto owned by Car Nut Lois Sostarich has had a very interesting life.

It needed a paint job, a new top, upholstery, a clutch and other mechanical help! It was purchased in Minnesota in the early 60's by her finance, and Lois drove it basically in unrestored condition for a couple years. The top was full of holes and she tried to patch them, but in the end resorted to using an umbrella while driving in the rain. That was WITH the top up! Finally, it was driven on their honeymoon in 1965.

Money was scarce for the plan to restore the car while raising their twins and it was stored for over 25 years. The new "classic car" license plate was in the trunk! Sadly, soon after college graduations the twins father died unexpectedly. Lois moved on to their long-term dream of restoration in late 1994.

After Lois retired she found her way to Green Valley and met and married Tony Sostarich. That's when the DeSoto was named the "Honey Moon" car. They drove that classic from Minneapolis to Green Valley in 1999 and soon joined the SCVCN's. A pleasure to drive, they enjoyed trophies, "thumbs up" gestures and compliments from many. When asked about the car's history at shows, Tony often quipped with a smile, "I married the car!"

Lois was asked to drive the Grand Marshal in the White Elephant Parade held October 26th. This was her third time to be the lead in the parade.

Our club was again 12th in the line of the parade."

Car Trivia

Although the first modern car was built in 1885, it wasn't until 1908 that mass production of the Model T made cars affordable enough for the general consumer to purchase (they originally cost \$850 a pop). Between 1913 and 1927, Ford Motor Company produced over 15 million Model T automobiles and, in the process, fundamentally transformed society. Today, cars are an important part of American life, and we now have a larger fleet of vehicles being driven on American roads. Only 35% of all registered vehicles in 2018 were actually cars. The rest include motorcycles, trucks, buses, and others.
